FOREVER URNS®

MEMORIAL COLLECTION
CATALOGUE

FOREVER URNS®

After the cremation, you will receive your loved one's ashes in a temporary container. The remains can be buried, interred or scattered, but for many of us, keeping a loved one at home can be comforting. Alternatively, you might want to share the ashes, and for this, small keepsakes and jewellery mean you can always keep them close.

The following brochure is a guide for the options available to you.

MEMORIAL OPTIONS

Below is a guide to the memorial options available to you, with accompanying icons to help you easily find a suitable product.
Please note; our categories are intended as a guide. Items that can be used in more than one category (e.g. for the home and for interment & burial) will be highlighted using the icons displayed below.

TO DISPLAY

We have a selection of ash caskets and decorative urns that have been specifically designed for keeping at home. These high quality items have a beautiful finish and can be displayed openly or kept in a private place. In time, the ashes can be buried, interred or scattered.

INTERMENT

People often choose to bury the ashes of a loved one in a cemetery or natural burial ground. Forever Urns offer a variety of urns designed by various specialists from around the world using natural materials such as plant fibre, paper, bamboo, seagrass, wood, clay and wool.

MEMORIAL

Our stone urns are beautiful garden pieces that seamlessly blend into their surroundings as well as options like flowers and saplings that can be planted in memory of a loved one. Water burial urns, made from sustainable materials like paper, allow you to submerge the ashes in a lake, river, or sea, whilst biodegrading and perfectly honouring the environment.

Any item marked with the engraving logo (pictured) can be personalised, whether that's the name of a loved one, a message or an extract of a poem, your text can be added to an urn in one of two fonts, Arial and *Corsiva*. See page 78 for more details. *Forever Urns packaging (right).*

TO SCATTER

It is becoming increasingly popular to scatter the ashes of our loved ones, perhaps in a favourite location or across water. The scatter tubes are biodegradable and specifically designed to release the ashes smoothly, making it a simple and respectful process.

KEEPSAKES

These intricately made keepsakes come in a variety of styles and designs. They have been made in brass, copper, sterling silver and Vietnamese soft stone. Each one can hold a small amount of your loved one's ashes and are ideal for sharing and displaying.

HEARTWOOD ASHES CASKETS

The Heartwood ashes caskets are superbly constructed and finished to an exceptional standard.

They are made from solid oak, pine, light and dark mahogany or paulownia, which is a light weight, sustainable and fast growing alternative to oak. Double ashes caskets are also available for all.

As an additional option, you can choose to have the casket engraved with detail. Engraving a wooden urn adds a personalised touch, preserving cherished memories and honouring the life of a loved one. A 4" x 2" gold or silver plate is also available on request.

OBELOS URN

WOOD

Many families wish to hold onto their loved one's ashes, keeping them close and in their thoughts. The Obelós is contemporary keepsake urn that sits comfortably within the home, with a quiet, tasteful elegance. The perfect size to be displayed on a mantelpiece, shelf or console table, the solid beech wood urn has a space within the upper section to hold personal mementos.

The three-sided tapered design has a cut away detail at each corner, exposing a contrasting face that resolves itself as a subtle star design on the top of the lid. A threaded wooden stopper keeps the ashes sealed in the lower section and a provides a dish on which to place small items, such as a wedding ring.

The Obelós is available in a light or dark finish that gracefully mirror one another, providing a striking and poignant reminder when twinned.

CORK URN

Embracing Life's Cycle. Transform cherished memories into a lasting legacy with our Cork Urn—a beautifully designed biodegradable memorial made from natural cork. Thoughtfully crafted to nurture new life, this eco-friendly urn is designed to hold the ashes of a loved one, allowing them to become part of the soil and integrate seamlessly into the root system of a young tree. As the tree grows, it serves as a living tribute, symbolising remembrance, renewal, and the enduring cycle of nature. A meaningful way to celebrate life and create a greener future. **Tree not included.*

Made from cork 90% & Bio based binder 10%, the funeral urn preserves the ashes and allow to integrate them into the root system of a sapling. Its ingenious system of cork compartments allows the tree's roots to spread through the urn absorbing the essential nutrients contained in the ashes to promote the tree's growth.

MUSHROOM URN

The Loop EarthRise™ Mushroom Urn is a sustainable urn that allows you to become a source of new life and be remembered as a tree in nature. You can use the Loop EarthRise™ with a plant in the lid, at home as a unique ornament, or bury it in a beautiful spot in your garden or at a (natural) cemetery. In the soil, the Urn biodegrades within 45 days, enriching biodiversity and forming a source for new life. Above ground, it can be kept indefinitely as an ornament.
The cavity in the lid allows for a plant to be placed inside, letting the urn grow into a tree or plant. This increases soil biodiversity and feeds the earth.

Engraving Service

Any item marked with the engraving E logo can be personalised, whether that's the name of a loved one, a message or an extract of a poem, your text can be added to an urn in one of two fonts, Arial and *Corsiva*. The engraving process is very simple, follow the steps below....

Step One

Tell us which product you want engraved and the content of the engraving. You may choose to engrave the name and details of the deceased, a personal message or poem, or even an image or photograph.

Step Two

If required, we will supply a proof of the design or picture engraving. A design proof is supplied to help you visualise how the engraved product will look, and ensure the finished urn is exactly what you desire.

Step Three

Your memorial item is engraved and delivered to you. Our laser engraver ensures that your design is applied to the urn with a crisp, clean finish which adds to the high quality of the product.
