Rental Flowers

Silk Rental Flowers

We have partnered with Forever Flowers Manchester to offer silk rental flowers. These are an affordable alternative to fresh flowers, and some people prefer the idea of re-using flowers after a service. These tributes are rented and will be used by another family in need following the service. With a huge range of standard words, and colours we can cater to almost any need.

Options

There are many options to choose from, and we will talk through with you the many options available for hire.

The common option would be to have a combination of two lots of lettering, for instance "Dad" & "Grandad" or "Mum" & "Grandma". However we will always do our best to accommodate any wish, where possible.

Memories Funeral Service

We believe that saying goodbye to a loved one should not be a financial burden, but we also believe that the quality and dignity of service should not be compromised. With this in mind Memories Funeral Service was founded.

We promise that we will carry out your wishes and requests with dignity, professionalism and grace at all times and that we will look after you and your loved one with care and love.
