

Memories Funerals

Funeral Director of Distinction

Business Terms

We will provide an estimate of charges during the arrangement process, outlining the anticipated cost for the funeral services. This estimate will be detailed and explained thoroughly. Any financial concerns you may have will be addressed, and we will offer advice and guidance as needed. You will be asked to sign the estimate, agreeing to our payment terms.

Our business terms for bespoke funerals require a payment of 50% of the total estimated cost at least 48 hours before the date of the funeral. The remaining balance should be settled within 7 days after the date of the funeral.

For funerals where the client is applying to the Department of Work and Pensions for a payment from the Social Fund, the difference between the estimated amount the DWP may pay, and the total cost of the funeral must be paid at least two days before the day of the funeral. If this payment is not received, the funeral cannot proceed.

For funerals where the client is not a resident of the UK, the total cost must be paid two working days in advance. If payment is not received, the funeral cannot proceed.

Payment for unattended cremation or burial must be made in full at least three working days prior. If not received, the service cannot proceed.

Our business terms for lower-cost funerals require full payment no later than two working days before the date of the funeral. If full payment is not received, the funeral will not proceed.

If the payment is being processed through the deceased persons bank account or via a solicitor, it must be completed before the estate goes through probate. Written confirmation of available funds must be provided.

If any payment is not received following the date of the funeral, the invoice must be settled within 7 days. After 7 days, interest may be charged on any overdue amount at a rate of 8% per calendar month or part thereof until the account is settled in full.

All payments must be made in GBP; we do not accept any other currency.
We accept payment by card and bank transfer.
